

February 1, 2022

Dear Sea Girt Lifeguard,

Enclosed is your 2022 lifeguard application. Please fill it out completely and return to the Borough Hall address on the application. Please return to Borough Hall no later than **April 20th 2022. You can also scan and return as PDF to me by email. We have also added an online application to fill out instead if easier and you can find this at:**

[Online Application – Click Here](#)

We will still need parts of the application, like the medical qualification, W4 and direct deposit returned by paper copy.

With **MINIMAL** anticipated turnover this year, I would like to get a handle on who is planning on returning and what scheduling issues there may be. Many of you responded to my return intent request over the winter, some did not. If you are not returning, I would ask that you please let me know. Part time employees will again be held to advance scheduling and requirements for this summer. The beach has taken a beating from storms the past few months. Right now DPW is doing a lot of sand movement and digging out the buried entrances. With all the sand movement no doubt the rip currents are still there and may be worse.

There will be a Pre Employment Swim and Stamina test at the Neptune Aquatic Club on **Saturday, April 23rd 4 pm – 6 pm.**

The second test - should we need one, will be **the following week at either the Atlantic Club or NJRC Pool - Time and Date TBD.** New applicants will be at the first date on Saturday at 4pm. You really should try to attend the April test to get the requalification's out of the way. **You will need to complete your SWIM and RUN requalification testing before full time starts – and this must be complete by June 17th.**

- ◆ The pool test will be: A 500m test in 10 minutes or less.
- ◆ The stamina test will be two parts: A 1 1/2 mile run in 12 minutes or less.
- ◆ You will need to be at the pool 15 minutes before the test. Please bring a towel, goggles etc., as they will not be provided for you. Please bring appropriate footwear for the run test.
- ◆ There are NO EXCEPTIONS – you must complete both sections before full time starts.

If you cannot make the pool test, you will have to take the test in the ocean before working full time. There will not be the available "run over to the pool" like we have been able to do in the past for testing.

As always, we work weekends until the weekend of June (18/19) then start full time that weekend and work through the last weekend in September. We will have small pre-season

P.O. Box 296 Sea Girt, New Jersey 08750
www.seagirtbeachpatrol.org 732.449.9335 LGHQ 732.449.9162 LGHQ fax

crew working select towers after Memorial Day, prior to full time - similar to the last two years Monday to Friday.

As you know your work as a lifeguard is important, and the people that visit the beachfront rely on you for your professionalism and skills. Please be ready to work and be in shape for your job. Recertification training will be ongoing starting in May. We will have scheduled training weekends prior to MDW for this. These will be refresher weekends to complete the additional First Aid training we will need to do this year and get re-certifications out of the way. Many of you are home from school and ready to get to work, using these weekends before MDW will be beneficial. We will also be utilizing the on line learning system we used last two years due to COVID19, so much of the work can be completed at home.

If you are interested in working pre-season, there will be a few spots available for work starting in April through June for pre-season work and assisting in getting the beachfront ready. Those hired or rehired are reminded that you are at will employees while employed.

The preseason work consists of maintenance to equipment, painting and getting all equipment ready for the season. We are looking to paint the inside of HQ in addition to our normal work. We were also tasked with painting the gazebos last spring and they will need a refresh.

The Junior Lifeguard program schedule is being finalized and will be forwarded out to you once complete. All information will also be posted on line. We are looking forward to another great year with this program. We completed a survey with the parents from last year and the new changes. We anticipate some changes to the schedule for 2022. All of us play a part in the success of the JG program from the administration to the LG that instructs to the LG that sits solo while the program is in progress – it's a team effort. Thank you to everyone for your help and to Jill and Gary leading the efforts with JGs and Surf School.

I have proposed increases and adjustments to the salary guide for this summer once again. Last year the starting salary was 14 per hour and I am asking for 15 or as close to it as I can get with adjustments to additional steps. The budget process is still in the works. We are always looking for good candidates and would appreciate your help in helping find some to fill spots with the best possible ones out there. The next few months will go fast – please get your information back and scheduling requests as soon as you can.

If you have any questions, please do not hesitate to call or email me.

Sincerely,

Timothy Harmon

Timothy Harmon
Chief of Lifeguards
Emergency Management Coordinator

Employment Prerequisites for the Sea Girt Beach Patrol

1. Minimum age: 16 years of age
2. Physical Condition:
 - a. normal hearing
 - b. 20/20 vision normal or corrected
 - c. no disabling deformities or conditions
 - d. demonstration of the ability to handle any and all situations indigenous to the area of responsibility
 - e. **a medical doctors statement certifying that you are healthy enough and are in good physical shape to participate in the strenuous physical activity of a lifeguard. This is required for all lifeguards**
3. Each returning lifeguard and new applicant will participate in a pre-employment strength, stamina, and swimming test. This test will consist of the applicant completing a distance of 500 meters in a time of 10 minutes, a 50 meter cross chest carry of a victim, and a 1 ½ mile run in 12 minutes.
4. All lifeguard applicants will be trained in American Safety and Health Institute BLS Provider for the Healthcare Provider CPR. This will include training/testing in one man adult, two man adult, infant, child CPR, obstructed airway, breathing devices, oxygen and use of and AED and bag valve mask devices.
5. All lifeguard applicants will be trained/tested in American Safety and Health Institute Advanced First Aid. Additional training in cervical and spinal immobilization, emergencies specific to the beachfront, other common first aid emergencies, and interfacing with outside agencies in respect to medical emergencies. The above coursework totals the USLA minimum 21 hours of first aid training, however normally exceeds the minimum training time.
6. All lifeguard applicants hired (in training), will attend "Lifeguard School" a course of a minimum of 70 hours of open water lifeguard training, lifeguard operations skills, and ocean awareness, and other information pertinent to the job of a lifeguard such as Borough policies and procedures, sexual harassment, workplace bullying or violence, whistleblower protections and the proper procedure to report such incidents.
7. All lifeguards hired will be subject to background investigations conducted by the Borough of Sea Girt administration. Information and release of information request will be forwarded to you once hired/rehired.
